Participants & Staff

**January 4, 2021** - First day back

Welcome to your new style Newsletter! This will be coming out each month so we can keep you better informed and updated. We are transitioning to 'VIRTUAL FUNDRAISING' due to the present climate and unprecedented times. Our remote AGM was a great success, many thanks to all who participated and voted. We are excited to be presenting our online auction and will have more information in our next newsletter. A big thank you to our wonderful participants and staff who have adapted so well in this pandemic. We love you all.

# VIEX Day at Clay Tree

A big thank you to Linda Life Skills Instructor for arranging the VIEX to come to Clay Tree on October 7th, 2020. We were thrilled to host 3 board members from the VIEX (Karen, John & Michelle) to showcase Arts, Crafts and Home arts celebrating the fall fair that was cancelled due to COVID19. Participants & staff worked diligently for weeks prior to the event creating amazing entries that were judged by the panel of VIEX board members. Five best of show awards went to Joe, Andy, Mary, Life Skills and the white room. Ribbons were issued for 1st, 2nd and 3rd place for a large variety of beautifully created items. Thank you Life Skills, Linda & Joanne D. for the delicious lunch that was prepared for the whole centre.

To top of this wonderful day the participants and staff also enjoyed a mini concert from Morien, a musician from Victoria. We always look forward to hearing Morien play and thank Elaine for setting the concert up and also want to thank Morien for his wonderful concert.
