

December Newsletter

BROUGHT TO YOU BY
CLAY TREE SOCIETY

CLAY TREED!

A MESSAGE FROM OUR EXECUTIVE
DIRECTOR

I hope this message is finding all of you and your loved ones well and safe in these uncertain times. It has been a strange year and Clay Tree has been proud to have been open and giving support throughout the pandemic, but good news is on the horizon with the vaccines being given and we are all hoping for a brighter New Year. Clay Tree has taken the unusual decision to stay closed longer over the Christmas break but to stay open in August 2021 when hopefully the virus will be eradicated or at least less virulent, this seems to be the most sensible approach at the moment. The participants have enjoyed December with our low key festivities, the fund raising has been so well supported, and all our safety measures are being constantly updated and strictly adhered to. The admin team will be in work during the closure from January 4th so please feel free to call either myself on 1 250 882 3755 or Rachel Pearsall on 250 616 3954 with any questions or concerns. This leaves me to wish you, your friends and families, our staff and our wonderful participants a very Merry Christmas and a Healthy and Happy New Year.

See you in 2021.

THANK YOU!

Thank you to all those who participated in
our online auction!

We surpassed our fundraising goal
and raised \$5,800.00. Amazing!

A SPECIAL THANK YOU TO
