November 2020 Newsletter

Clay Tree ED

Greetings from Executive Director Glenys Patmore

Happy November Everyone and welcome to the second compact monthly newsletter, thank you for all the compliments last month and I am so pleased this is what you wanted.

The fundraising that we are doing remotely is going really well a big thank you to all our supporters for that, of course we are so excited to be introducing our very first online auction that has gone live today, so please take a look and be sure to bid for some lovely presents for your loved ones ready in time for Christmas.

We are going to be doing a very low key "party" at Clay Tree on December 9th, this will still be in the individual bubbles but making sure that our clients have a lovely time. Please stay safe everyone. Love to you and your families.

Things are heating up
